

Nordic Network of Fetal Medicine 2019

Learn from each other

Trollfjord (Tromsø – Trondheim)

Monday, March 25, 2019

0830 - 0930	<i>Registration, coffee and start networking</i>	
0930 - 0945	Opening Remarks	Torbjørn Eggebø Vasilis Sitras
	Genetic session	
	<i>Chair: Torbjørn Eggebø and Ragnhild Glad</i>	
0945 - 1005	Living in the past	Inge Særheim
1005 - 1050	Living now	Ragnhild Glad
	Existing routines for prenatal genetic testing in the nordic countries	
	Controversies in future prenatal genetic battle	
1050 - 1105	“lets do it all now”	Ida Vogel
1105 - 1120	“lets think again”	Gunnar Houge
1120 - 1135	Discussion	
1135 - 1205	Will intelligent machines help me do my job - or will the machines do my job?	Øivind Braaten
1205 - 1215	Discussion	
	Advances in ultrasound (GE)	
1215 - 1230	High frequency ultrasound probes	Pieter Steensma
1230 - 1330	<i>Lunch and networking</i>	
	Presentation by Philips in the small conference room	
	Fetal therapy	
1330 - 1410	TTTS in Nordic and Baltic countries; can we achieve common routines?	
	<i>Chair: Aydin Tekay, Vasilis Sitras, Egle Machtejeviene</i>	
1330 - 1340		Karin Sundberg
1340 - 1350		Vedran Stefanovic
1350 - 1400		Eleonor Tiblad
1400 - 1410	Discussion	
1410 - 1430	Fetal reduction	Vedran Stefanovic
1430 - 1500	Cases to learn from	Birgitte H. Kahrs
1500 - 1530	<i>Coffee break</i>	

Parallel sessions:

1530 - 1700	Update on fetal surgery <i>Chair: Peter Lindgren and Karin Sundberg</i>	
1530 - 1600	Update on fetal therapy	Jan Deprest
1600 - 1630	Nordic situation	
1600 - 1615		Eleonor Tiblad
1615 - 1630		Geske Bak
1630 - 1700	Discussion	
1530 - 1700	Preconception carrier screening <i>Chair; Erik Iwarsson</i>	
1530 - 1600	National health board carrier screening in Israel	Amihood Singer
1600 - 1700	Discussion (participants are asked to check the status of preconception screening in their own country)	
1700 - 1730	<i>Break and networking</i>	
1730 - 1830	Research NNFM research collaboration; follow-up and future studies <i>Juha Rasanen, Seppo Heinonen, Ida Vogel</i>	
2030	<i>Dinner</i>	

Tuesday, March 26, 2019

0830 - 1000	The neurosonographical examination <i>Chair: Lisa Neerup Jensen and Cathrine Ebbing</i>	
0830 - 0900	Assessing the CNS in obstetrical ultrasound	Peter Conner
0900 - 0925	The role of fetal MRI in predicting outcome	Katarina Hilde Lisa Neerup Jensen
0925 - 0945	Exome sequencing in fetuses with specific focus on brain malformations	Elsebet Østergaard
0945 - 1000	Second-trimester fetal head circumference in > 350.000 pregnancies: Outcome and suggestion for sex-dependent cutoffs for small heads	Najaaraq Lund
1000 - 1100	<i>Coffee break and networking</i>	
Parallel sessions:		
1100 - 1200	Should we do cervical length screening in the Nordic Countries? <i>Chair: Bo Jacobsson and Ann Tabor</i>	
1100 - 1115	Transvaginal sonographic cervical length in first and second trimester in a Danish population	Ann Tabor
1115 - 1130	Transvaginal sonographic cervical length in the second trimester in a Swedish population	Pihla Kuusela
1130 - 1140	Is cervical length measurements reproducible?	Pihla Kuusela
1140 - 1200	Discussion	
1100 - 1200	Variant reporting, low penetrance findings <i>Chair: Ida Vogel and Gunnar Houge</i>	
1100 - 1110	Variant reporting, low penetrance findings, examples from Denmark	Ida Vogel
1110 - 1120	Variant reporting, low penetrance findings, Norway	Gunnar Houge
1120 - 1200	Discussion	
1200 - 1300	<i>Lunch and networking</i>	

1300 - 1400	Common Genetic session <i>Chair: Gunnar Houge and Olav Bjørn Pettersen</i>	
1300 - 1315	Resumé carrier screening	Amihood Singer
1315 - 1330	Reporting on carrier screening discussion	Erik Iwarsson
1330 - 1345	Reporting on low penetrance findings discussion	Ida Vogel
1345 - 1400	Discussion	
1400 - 1500	Perinatal pathology <i>Chair: Nikos Papadogiannakis and Christina Vogt</i> Perinatal pathology in the Nordic countries: exploring collaboration in NNFM context.	
1400 - 1415		Karen Bonde Larsen
1415 - 1430		Gitta Turowski
1430 - 1445		Nikos Papadogiannakis
1445 - 1500	Discussion	
1500 - 1530	The future of NNFM Society vs. Network Pros/Cons <i>Vedran Stefanovic, Bo Jacobsson, Torbjørn Eggebø, Lene Sperling, Natalija Vedmedovska and Hildur Harðardóttir</i>	
1530 - 1600	<i>Coffee break and networking</i>	
1600 - 1630	Young investigators (10 min each) <i>Chair: Vasilis Sitras and Aydin Tekay</i>	
1630 - 1800 (+)	The future of NNFM: Decision	
1800 - 1900	National meetings	
2030	<i>Galla dinner</i>
